Programme, beginning at 15.15 in Röda Tornrummet:

Luigi Lacchè: **Presentation of the Journal of Constitutional History**

Lotta Maunshach, Xavier Groussot and Martin Sunnqvist: **Some results of the project ”Judges Assessing the Independence of Judges. Historical Foundations and Practical Procedures in Facing the Threats against the Rule of Law in Europe”**

At 17.00, some refreshments will be served.

* * *

The Journal of Constitutional History aims to promote and collect research relating to the multiple paths of constitutional history. The published studies aim to analyse, in a multidisciplinary and comparative perspective, the foundations and characteristics of a complex historical and cultural phenomenon which has given rise, despite a diversity of forms and conceptions, to a common heritage.
